Hi Christiane,

Just want to let you know that I asked our sales guys for feedback from last week's AfricaCom, and Qaqamba got rave reviews. Here's a comment from one of our sales directors: "She was the best hostess we have ever had. Very bubbly and outgoing and really helped with customer engagement. We should get her again next year if available."

Please let her know our team was very happy with her, and that I appreciated her great help since I wasn't able to be there.

Marisa, thanks again for the excellent recommendations. We were very happy with Johann the videographer as well.

Best,

Dear Christiane

**MONTBLANC EVENT**

I would like to take this opportunity to thank you and your team for your support and assistance with the recent Montblanc event. It was a really challenging event with the client abroad, us in Johannesburg managing an event in Cape Town. I am grateful for your patience initially with us cancelling all our meetings with yourself when we were down for the site recce.

Please convey my gratitude and congratulations to the ladies and Eric as they were truly super stars with such a "can do" attitude. I also enjoyed everyone's positive energy and the ease with which they fit right into our team which is such a blessing. It's was a pleasure dealing with smiling faces during long hours when everyone was under extreme pressure with constant changes and new requests.

It was a truly great event and I was proud to showcase our country and its people.

The client was extremely happy and I thank you for the part you played in making the event a success.

I hope you are able to take a break over the festive season and wish you all the best for a safe and blessed holiday and a prosperous 2015.

Best regards

Event Hostesses

Dear Christiane,

On behalf of Royal Cape Yacht Club, we would like to take this opportunity in thanking you for your ideas and sponsorship for this event. Your involvement in this special event is really appreciated and we believe the registration process was the smoothest ever seen. As promised the regatta attracted in excess of 100 entries which equated to about 700 competitors; this excludes the supporters and friends who travelled to Club Mykonos to greet the yachts and join in the festivities. We are looking forward to your participation in the 2013 Mykonos Offshore.

As you are aware the regatta will be televised on Mnet Supersport, we will be sending the schedule out once we have received it from the television production company. Alternatively keep a lookout on [www.rcyc.co.za](http://www.rcyc.co.za) for updates.

Your suggestions or ideas to help improve the regatta any further would be much appreciated.

Yours Sincerely

Hi Christiane!

A big big thank you from me for your help with Mykonos Registration.

I was told it really was the smoothest most organised registration seen yet, and without you and your company and great girls this would definitely not have happened. I cannot organise successful events without the help and support of volunteers or a sponsor like you Christiane. The girls were great and seemed to be enjoying what they did, Luke was a great support as well, to them and to me and the whole process.

I'm sure we can look at using your company in future events.

I look forward to setting a date for us all to get together for a nice long chatty lunch, on me!

Thank you again Christiane!

My best Regards to you,

Hi Christiane,

Reference as follows:

I have been consistently impressed with the level of service Event Hostess had provided HSM as a client.

Event Hostesses has a fantastic variety of professional ladies who never fail to meet our every need and expectation. The selection process was smooth and the quality of girls provided is tops. Event Hostesses was able to assess our company needs and wants and in turn provide us with a good selection of outstanding girls who were not only pleasant on the eye but talented each in their own way

Always on time and prepped for the event, each lady possessing the ability to be proactive on the job, sociable, approachable and confident. The way in which they converse with guests and clients is professional yet endearing and their ability to read the circumstances in which they work and act accordingly has been a valuable asset to us.

I would highly recommend event hostesses to assist in any event as all their staff members are highly competent, eager to please and easy to work with.

We will continue using Event Hostesses as our choice provider at all events due to their unquestionable reliability.

Please don't hesitate to contact me should there be any further queries.

Dear Christiane,

Thank you for helping us to organize our latest event on 13<sup>th</sup> April. Your team handled job in a very professional manner. Both our clients and our Managers who assisted to the launch were highly satisfied by your services.

Thank you also for inviting me at your casting evening on 4<sup>th</sup> March, which was well organized. I was impressed by the way you operate in recruitment and by the rigor you apply in the process to select and only take the successful candidates on your team's database. We experienced these qualities subsequently at our launch.

We will definitely use your services in the future when required for our functions and I will personally recommend your company through my professional networks.

Dear Christiane,

I wanted to give you feedback and commend you and your team on the excellent job done for the Carlsberg event recently:

It was very professional to first meet and brainstorm and most importantly to discuss our client's needs and wants, and thereby design the perfect hosting plan. Your profiling and presentation on various hosts and hostesses was professionally conducted and provided us with an excellent base from which to pair the perfect host/hostesses with our very specific Carlsberg clients

The hosts and hostesses conducted themselves professionally at all times and were more than willing to go the extra mile for our clients. They asked relevant questions and were independent enough to deal with any problems on site.

We felt the hosts and hostesses followed the brief to the letter and presented a beautiful exterior while at the same time offering an intellectual connection for our clients. Their familiarity with procedure and Cape Town as a city was exceptional.

It takes a special type of person who is able to adjust to any situation and to be social and still aware of their surroundings at the same time.

I would not hesitate to use your services in the future again.

Yours Sincerely,

Craig Glatthaar

## TO WHOM IT MAY CONCERN

It is my pleasure as previous Technical Venue Manager for MATCH HOSPITALITY, Cape Town Stadium, to confirm and thank Christiane Mohrstedt for her job well done before and during

1. The 2009FIFA Confederations Cup (April – July 2009)
2. Two Show Cases for MATCH HOSPITALITY (Cape Town and Durban in December 2009 January 2010).
3. The 2010FIFA World Cup.

Christiane's tasks included:

1. the coordination and performance of the recruitment process of event hostesses for the events.
2. the training process for the chosen hostesses.
3. the supervision of the hostesses during the actual event.

Except the Show Cases, where she worked completely self-contained, she co-operated together with Florian Oeschger, who was sent by a German agency BplusD (Cologne).

At the 2010FIFA World Cup they were responsible for the process of event hostess supply for the hospitality areas of the Cape Town Stadium, Moses Madiba Stadium - Durban, Free State Stadium -Bloemfontein and Nelson Mandela Bay - Port Elisabeth.

Christiane's previous experience as a recruitment manager and in-house trainer resulted in a smooth recruitment (recruitment and interview sessions) and training process in all 4 host cities (March 2010, one week each host city). The trainings were overlooked by Jeanne-Marie de Wet (MATCH), who reported a very positive feedback. During the classroom training sessions Christiane gave the hostesses an understanding of general important tasks, client (FIFA) specific defined tasks as well as performed rehearsal/role plays for possible difficult and emergency situations. The second training part for the hostesses consisted of a stadium orientation day shortly before match day<sup>1</sup>.

During the time of the 2010FIFA World Cup Christiane was appointed as Hostess Venue Manager Cape Town. This included the co-ordination of the hostess schedule, outfitting, check-in and -out procedure, positioning of hostesses, delegation of chief hostesses, break-co-ordination of the 70 to 156 hostesses (match dependent) for the hospitality areas in the stadium and the hospitality tent village. Most importantly to mention her well conducted continuous communication with hostesses, chief hostesses, MATCH superiors and fellow suppliers. All this, so that the tasks of the hostesses (accommodating commercial hospitality guests and affiliates in terms of welcoming, seating, providing support regarding orientation and giving various kinds of information) were successfully accomplished.

Christiane never hesitated to address problems and propel forward the fine-tuning process, to optimise the process from match to match. With her friendly, but professional personality and enthusiasm she contributed to represent the proud host country South Africa, the organisation responsible FIFA and the hospitality company MATCH.

Through the dedication and enthusiasm displayed, we produced a high standard of hospitality service to both, national and international guests throughout the greatest sports tournament 2010, which was praised around the world.

I have no doubts, that Christiane's plans to continue in this field and heading up her own Event Hostess Agency will be a great success. I wish her only the best for everything and hope we will stay in touch!

Yours sincerely
